

Sheraton Gateway Los Angeles Airport
Registration Form

Magic in Teaching

***Innovative Strategies in Simulation,
Technology and Learning Science***

March 10 & 11, 2010

Sheraton Gateway Los Angeles Airport

Program Objectives:

Upon completion of this continuing education program, the participant will be able to:

- Identify innovative strategies for curriculum development.
- Understand linking patient safety to nursing education at all levels.
- Understand the accountability of nursing educators in preparing students for the practice setting relative to patient safety.
- Identify new options for creative teaching strategies in the classroom and clinical settings.
- Describe how the Oregon Consortium for Nursing Education's transformation of clinical education is changing nursing education.
